This memorandum announces the opening of public comments on the PV29 Inhalation Risk Characterization Summary and Updated Charge Questions. Public comments for the EPA's consideration may be submitted until [insert date 30 days from posting]. Public comments submitted by June 17, 2019 will be provided to TSCA SACC members for their consideration during the peer review meeting. Comments submitted after June 17 will be for EPA's consideration only.

Background: The Toxic Substances Control Act (TSCA) Science Advisory Committee on Chemicals (SACC) will meet June 18 to 21, 2019, to review the draft Risk Evaluation for Colour Index (C. I.) Pigment Violet 29 (PV29) and associated documents. The following three documents have been added to the docket for this review (EPA-HQ-OPPT-2018-0604):

- OPPT Transmittal memo signed by Mary C. Fehrenbacher
- *Draft: OPPT Updated Risk Characterization for Occupational Inhalation of PV29 Based on Updated Approach*
- *EPA Scientific Advisory Committee on Chemicals, Updated Charge to the Panel - PV 29 Review, June 18-21, 2019*

The public is invited to comment on these documents from June 10, 2019 to July 10, 2019. Comments submitted by June 17, 2019 will be provided to TSCA SACC members

for their consideration during the peer review meeting. Comments submitted after June 17 will be for EPA's consideration only.

Submit your comments, identified by Docket ID No. EPA-HQ- OPPT-2018-0604, by the following method:

Federal eRulemaking Portal: www.regulations.gov: Follow the on-line instructions for submitting comments.

Once submitted, comments cannot be edited or removed from Regulations.gov. The EPA may publish any comment received to its public docket. Do not submit electronically any information you consider to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Multimedia submissions (audio, video, etc.) must be accompanied by a written comment. The written comment is considered the official comment and should include discussion of all points you wish to make. The EPA will generally not consider comments or comment contents located outside of the primary submission (i.e. on the web, cloud, or other file sharing system). For additional submission methods, the full EPA public comment policy, information about CBI or multimedia submissions, and general guidance on making effective comments, please visit: <http://www.epa.gov/dockets/commenting-epa-dockets>.
