

EPN's Nominees for FY2025 Clean Air Scientific Advisory Committee Membership
April 3, 2024

The [Environmental Protection Network](https://www.epn.org) (EPN) harnesses the expertise of more than 650 former Environmental Protection Agency (EPA) career staff and confirmation-level appointees from Democratic and Republican administrations to provide the unique perspective of former regulators and scientists with decades of historical knowledge and subject matter expertise.

Below are EPN's nominees for the Clean Air Scientific Advisory Council (CASAC) to help provide independent advice to the EPA Administrator. These nominees have extensive backgrounds in air quality and various research experiences that we believe to be applicable to CASAC's mission.

Dr. Ted Russell - Georgia Institute of Technology - Atlanta, GA
Areas of expertise: air quality, environmental engineering

Dr. Patrick Kinney - Boston University - Boston, MA
Areas of expertise: air quality, exposure assessment

Dr. Jonathan Levy - Boston University - Boston, MA
Areas of expertise: air quality, epidemiology, exposure assessment, risk assessment

Dr. Helen Suh - Tufts University - Medford, MA
Areas of expertise: air quality, epidemiology, exposure assessment, biostatistics

Dr. Francesca Dominici - Harvard University - Cambridge, MA
Areas of expertise: air quality, biostatistics

Dr. Petros Koutrakis - Harvard University - Cambridge, MA
Areas of expertise: air quality, epidemiology, exposure assessment, risk assessment

Dr. David Rich - University of Rochester - Rochester, NY
Areas of expertise: air quality, epidemiology, medicine

Dr. Debra Laskin - Rutgers University - Newark, NJ
Areas of expertise: toxicology

Dr. Jane Clougherty - Drexel University - Philadelphia, PA
Areas of expertise: air quality, exposure assessment, epidemiology

Dr. Barbara Turpin - University of North Carolina - Chapel Hill, NC
Areas of expertise: air quality, environmental engineering, exposure assessment

Dr. Jason West - University of North Carolina - Chapel Hill, NC

Areas of expertise: air quality, environmental engineering, risk assessment

Dr. Stefanie Ebelt - Emory University - Atlanta, GA

Areas of expertise: air quality, epidemiology, exposure assessment,

Dr. Marie O'Neill - University of Michigan - Ann Arbor, MI

Areas of expertise: air quality, epidemiology, exposure assessment

Dr. Randall Martin - Washington University - St. Louis, MO

Areas of expertise: air quality, environmental engineering, exposure assessment

Dr. John Watson - Desert Research Institute - Reno, NV

Areas of expertise: air quality, environmental engineering

Dr. Kent Pinkerton - University of California, Davis - Davis, CA

Areas of expertise: air quality, medicine, toxicology

Dr. John Balmes, MD - University of California, San Francisco - San Francisco, CA

Areas of expertise: air quality, epidemiology, exposure assessment, medicine

Dr. Ed Avol - University of Southern California - Los Angeles, CA

Areas of expertise: air quality, exposure assessment, medicine
