Thank you for your interest in providing comments on the proposed revisions to 2 CFR. OMB has considered your request, and has decided not to extend the 45 day comment period. We urge you and your organization to provide comments at <https://www.federalregister.gov/documents/2026/05/29/2026-10817/regulation-for-federal-financial-assistance>, which will be fully taken into consideration as we develop the final revisions. We are also not taking meetings with requestors while the rule is out for public comment; however, once the final rule begins EO 12866 review, you may request a meeting to discuss any concerns. The list of rules formally under OMB review is updated daily, and can be found at <https://www.reginfo.gov/public/>.
